To Participants in the DOSH Multi-Employer Advisory Committee:

The Division of Occupational Safety and Health would like to invite you to participate in a meeting of the Multi-Employer Worksite Inspection Policy Advisory Committee.

The Multi-Employer regulations in Title 8, California Code of Regulations, Sections 336.10 and 336.11 were adopted by the Division of Occupational Safety and Health and went into legal effect on 31 December 1997. Subsequently, the Title 8 regulations were codified into statute--Labor Code Section 6400(b) and (c)--by the California Legislature when they enacted Assembly Bill 1127 (Chapter 615, Statutes of 1999).

There have been discussions and decisions involving the regulations and enforcement practices regarding the controlling employer at worksites. A number of individuals have requested an advisory committee to discuss the issues.

In response to this request, the Division will convene the Multi-Employer Worksite Inspection Policy Advisory Committee for a meeting on **Friday, August 10, 2007**.

Meeting Time: 09:30 a.m. to 4:00 p.m
Elihu Harris State Building
Room 1304 (Division's Oakland Training Room)
1515 Clay Street, Oakland

Thank you for your participation in the Multi-Employer Advisory Committee.

Sincerely,

Len Welsh
Acting Chief
